YOUR SECURITY IS OUR PRIORITY**

Network with Government Agencies

Mr. Paraam had a pleasure of meeting up with our distinguished Datuk Abdul Samah Mat, Ketua Polis Selangor in his office early 2017 to discuss on vital role that should be played by a security company to address crime prevention in Selangor. Since STRENGTH FORCE SECURITY office is located in Selangor, we would like to take the opportunity to work hand in hand with the area police. We take the issue of public and property safety seriously and it is always a way forward when two organizations such as the police and security company work together as a team.

Private Investigation

We are ready to help

With world-class personnel, we provide an investigation service that will discover all possible facts, using the latest technology to support our evidence gathering techniques.

We provide private investigation and private detective services for individuals, companies or commercial owners in Malaysia and overseas.

Matrimonial Investigation Services

Our detective firm provides matrimonial investigation service that includes spouse's surveillance and pre-marital background checks. We specialized in cheating spouse investigations and investigation of unfaithfulness. We handle these cases with supreme caution by using reserved methods as these investigations can be super sensitive to those involved.

Our detective firm's goal is to put a stop to our client's misery and doubts with our fast yet subtle matrimonial investigation to provide answers to all the questions that haunt them. We have an extensive experience as we have been handling these investigations for years, and our method of evidence gathering in numerous matrimonial investigation cases have been proven the fastest and the best in Malaysia and overseas.

Fraud Investigation Services

Our private detective investigator Malaysia provides fraud investigation services in investigating financial frauds. Our team of private investigators are specialists in investigating financial frauds from bribery and embezzlement to forgery and money laundering schemes. Our private detective investigator Malaysia works with experienced fraud examiners in order to find the best answer to client's fraud cases. We also provide assistant to clients who have been scammed into insurance frauds in Malaysia.

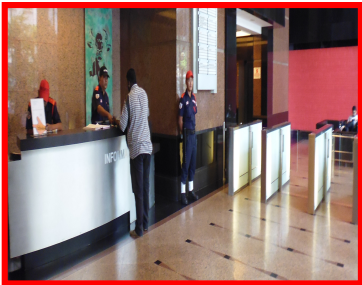

Guarding Services

Event Security

We also provide security services for exhibitions, concerts, private functions, product launches and sporting events.

Security Control Access to Offices

This incentive has been adopted to strike a balance between safety and convenience, such as checking vehicles that park in the garage and vehicles coming into high threat assessment areas.

Armed Guards

STRENGTH FORCE SECURITY armed guards are vetted by the Ministry and are specially trained by the Royal Malaysian Police Force. After successful completion, these armed guards will be given a certificate that certifies them as trained certified armed guards.

Body Guards

This assignment will be assigned to our special squad. A well trained represented by former law enforcement officers with several years of experience. Human Capital is Strength Force biggest asset, the company prides itself in having the best bodyguards in the business.

Guarding Services

Armed Vehicle Support Service

This armed vehicle support service is used to escort containers/trucks carrying expensive goods and cash in transit. We have a fleet of vehicles for these said services.

Unarmed Guards

STRENGTH FORCE SECURITY takes pride in their well trained and disciplined static guards placed for the protection of our client's property. A thorough survey with appropriate recommendations will be done with no obligation before commencement on the assignment.

Mobile patrolling

To support our operations and random checks on all our security posts around the clock, will ensure the safety of our client's premises. The devices use to track its movement are real time recordings via a latest technological advancement in monitoring.

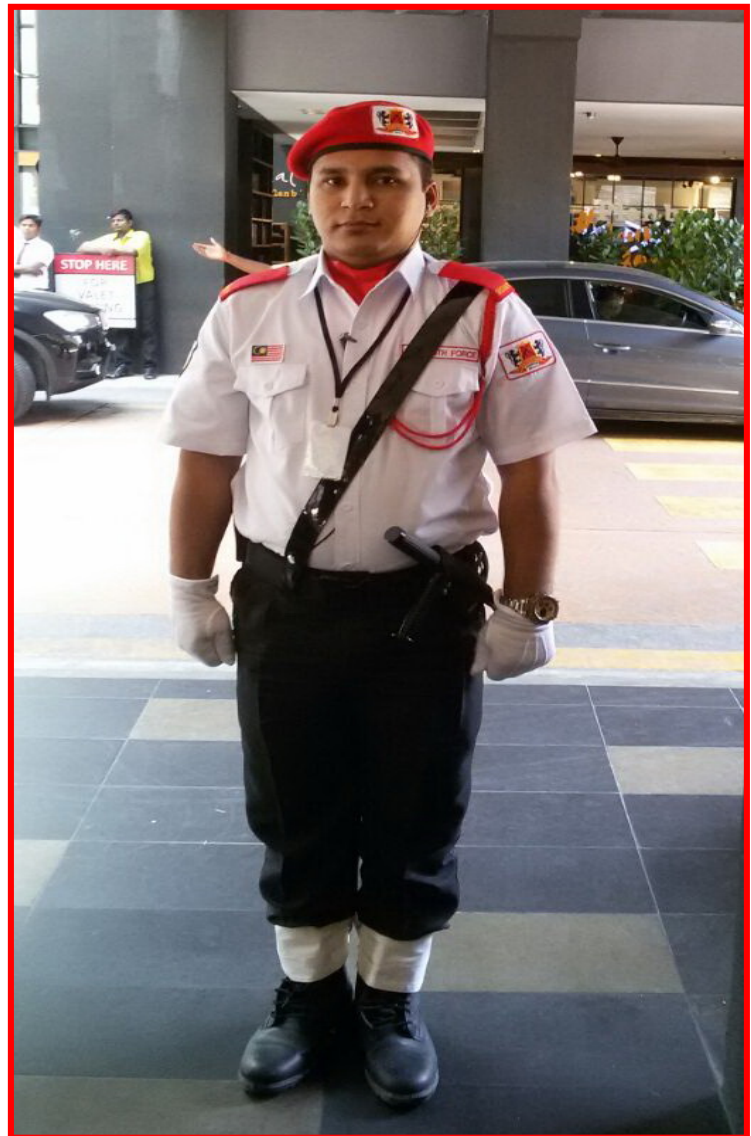

Security Guard Dog

Guard dog trainers and handlers and security dogs are trained in line with their code of conduct. Apart from basic compatibility of guard dog training, all staff undergoes comprehensive training before they are allowed to work on site with a guard dog. The dog training is ongoing on a regular basis. This security training is beneficial both for the handlers and the guard dog.

Our Attire

Our guards are always in full attire according to KDN ruling and portray a level of professionalism that is expected of STRENGTH FORCE

Recruitment & Training

1 MONTH INTENSIVE TRAINING PROGRAMME FOR MALAYSIAN LOCAL GUARDS

We recruit staff for a specific client and premise in mind. It is our company's policy that 60% of our security officers have previous experience from within the industry. We make every effort to ensure that our staff is dedicated to perusing a career within the industry through the long-term retention of our staff. We use all mediums of recruitment from local press to the job centres.

In order to meet client's satisfaction, we strive to make sure that we only provide a security guard and security service based on the effectiveness of the personal employed to undertake these duties.

Candidates will undergo vigorous training for 1 month that begins every day at 6.45am

- Each candidate is carefully selected and vetted by KDN/Police
- Strict grooming and character building is carried out communication skills are taught every day.
- Candidates will undergo motivation talks, stress and anger management training 3 weeks of academy training + 1 week on-job-training at placement.
